Hi all,

Attached is a revised briefing paper for our meeting with David tomorrow at 11 am ET/8 am PT. In an attempt to make the paper easier to digest, we changed the format from a chart to an outline. Please take a look, and make any comments you have by tomorrow morning. We will be bringing this paper and a map depicting the Nez Perce treaty rights to the meeting tomorrow.

Given that we only have a half hour, we may not get through all of the content, but can offer a follow-up discussion if need be.

Many thanks!

**Subject:** ID WQS treaty rights mtg w/ David- next steps

Hi all,

Our meeting with David F. to discuss treaty rights case law and the chronology of EPA's communications with Idaho has not yet been set. It looks like the week of August 18<sup>th</sup> we will have the relevant attendees back in the office. If that timing sounds alright with all of you, I will reach back out to David's scheduler and ask her to set up a meeting that week.

The materials that we had planned to share at last week's meeting are the following:

- Stevens treaty case law chart (attached; showing EPA's comments to Idaho, Idaho's responses to those comments citing to treaty rights case law, and an analysis of the relevant case law)
- Compiled comments and communications from EPA to Idaho regarding Idaho's revised standards (list below, attachments will go to David):
  1. May 2012 Disapproval Letter
  2. January 2015 Letter from DOI to EPA re Tribal Fishing Rights
  3. March 2015 Comment Letter from EPA to Washington Dept. of Ecology re Washington's January 2015 Draft HHC Revisions (pp. 5-9 of the pdf discuss treaty fishing rights)
  4. May 2015 Letter from EPA to IDEQ re Idaho's Draft HHC Policy Recommendations (pp.1 and 5 of the pdf discuss treaty fishing rights).

5. August 2015 Letter from EPA to IDEQ re Idaho pre-Draft HHC Revisions (pp. 6-7 of the pdf discuss treaty fishing rights)
6. November 2015 Letter from EPA to IDEQ re Idaho's Draft HHC Revisions (pp. 8-10 discuss treaty fishing rights)
7. November 2016 EPA Federal HHC Rule for Washington (pp. 23-41 discuss treaty fishing rights)
8. January 2017 Letter from EPA to IDEQ re EPA's Preliminary Review of Idaho's December 2016 Submission of Revised HHC

Endre and Allyn will be back in the office Monday, and I will look for a time next week for us all to convene to discuss the above materials, and how best to present them to David. Please let me know if this approach sounds good,

Many thanks!
